WHO IT IS FOR

Product owners, founders, developer relations and enterprise provider teams.

THE QUESTION

An eligible provider should be findable without buying visibility. Basic provides the free factual listing path and a way to correct inaccuracies.

WHAT YOU CAN WORK WITH

01

A factual provider/product listing subject to editorial admission.

02

Identity and public source references kept distinct from promotional claims.

03

Free corrections, with the requested change and supporting source.

FROM STARTING POINT TO NEXT DECISION

1 Define

Identify the product and the person authorized to submit material.

→

2 Examine

Separate provider statements from independently reviewed evidence.

→

3 Agree

Agree the object count, review work, update cadence and annual contract.

SCOPE AND NEXT STEP

Agree scope, users, permitted use and start date in the order.
