**Provider service · scope by agreement**

### WHO IT IS FOR

Product owners, founders, developer relations and enterprise provider teams.

### THE QUESTION

Procurement teams need a consistent account of capability, operating conditions and supporting material. Professional develops that profile scope, with the provider remaining responsible for submitted statements.

## WHAT YOU CAN WORK WITH

**01**

A product dossier separating capability statements, supporting documents and open questions.

**02**

An agreed maintenance and reporting scope over the annual term.

**03**

Provider ownership review before any profile-management access is granted.

## FROM STARTING POINT TO NEXT DECISION

**1 Define**

Identify the product and the person authorized to submit material.

→

**2 Examine**

Separate provider statements from independently reviewed evidence.

→

**3 Agree**

Agree the object count, review work, update cadence and annual contract.

### SCOPE AND NEXT STEP

Agree scope, users, permitted use and start date in the order.
