Provider service · scope by agreement

WHO IT IS FOR

Product owners, founders, developer relations and enterprise provider teams.

THE QUESTION

Claims about an AI product need a bounded question and eligible evidence. This programme scopes analyst work independently of the result the provider might prefer.

WHAT YOU CAN WORK WITH

01

Defined claims, evidence criteria and review boundary.

02

Scoped analyst capacity and a documented independent finding.

03

Limitations, conflicting evidence and a correction/update path.

FROM STARTING POINT TO NEXT DECISION

1 Define

Identify the product and the person authorized to submit material.

→

2 Examine

Separate provider statements from independently reviewed evidence.

→

3 Agree

Agree the object count, review work, update cadence and annual contract.

SCOPE AND NEXT STEP

Agree scope, users, permitted use and start date in the order.
