02 PROVIDER PRODUCTS

Enterprise Provider Programme

Coordinate product coverage, evidence responsibilities and review work across a provider portfolio.

€12,000-€25,000+ / year

net · EUR · plus VAT where applicable

Provider service · scope by agreement

WHO IT IS FOR

Product owners, founders, developer relations and enterprise provider teams.

THE QUESTION

Large portfolios need accountable coordination across products and teams. The enterprise programme defines that commercial working relationship without merging product identities or editorial decisions.

WHAT YOU CAN WORK WITH

01

Configured portfolio coverage and named programme responsibilities.

02

Agreed evidence work, update governance and reporting.

03

A contract separating profile management from independent review.

FROM STARTING POINT TO NEXT DECISION

1 Define

Identify the product and the person authorized to submit material.

→

2 Examine

Separate provider statements from independently reviewed evidence.

→

3 Agree

Agree the object count, review work, update cadence and annual contract.

SCOPE AND NEXT STEP

Agree scope, users, permitted use and start date in the order.
