WHO IT IS FOR

Managing directors, boards, CIOs, CDOs, HR, legal and compliance teams.

THE QUESTION

An independent audit of the entire AI estate - tools, embedded AI features, agents, models, pilots and contracts - combining an inventory, cost and usage analysis, vendor intelligence and risk classification into one portfolio decision.

WHAT YOU CAN WORK WITH

01

Estate map and inventory with owners and dependencies.

02

Cost, usage, licence and vendor analysis.

03

Portfolio recommendations and a signed leadership presentation.

FROM STARTING POINT TO NEXT DECISION

1 Inventory

Collect tools, embedded AI, agents, contracts and owners.

→

2 Analyse

Connect costs, use, vendor facts and dependencies.

→

3 Decide

Review scale, fix, consolidate or stop choices with leadership.

SCOPE AND NEXT STEP
