06 TRANSFORMATION

Continuous Optimization Programme

Use operating evidence to prioritize improvements and review their effect.

Fee configured to agreed scope

net · EUR · plus VAT where applicable

Scope and delivery by agreement

WHO IT IS FOR

Transformation sponsors, operating leaders, enterprise architects and delivery teams.

THE QUESTION

A deployed workflow can drift as volume, review effort and vendor behavior change. Continuing optimization scopes a review cycle around actual operating evidence and agreed improvement decisions.

WHAT YOU CAN WORK WITH

01

A defined baseline, operating measures and review rhythm.

02

A prioritized improvement backlog with accountable owners.

03

Review of changes against outcomes and continuing control requirements.

FROM STARTING POINT TO NEXT DECISION

1 Scope

Set the operating boundary and a baseline that can be measured.

→

2 Deliver

Name delivery responsibilities, approvals and intervention points.

→

3 Review

Review observed results before expansion or continued operation.

SCOPE AND NEXT STEP

Agree scope, users, permitted use and start date in the order.
